

Welcome to CrystalHeart Journeys

Please read this before you begin.

No parts of this course should be reproduced partly or wholly by any means without the written consent of the author.

Gwyneth Robbins-Cox is the author of this material and asserts her rights to be identified as such.

All Rights Reserved.

Crystals are powerful tools for healing and enlightenment and need to be used with care and respect. The course does not endorse the participant as a crystal healer and as such does not qualify the participant to offer healing to others on any basis. All participants of this course must assume their own responsibility for their own health and well-being throughout the course.

Gwyneth Robbins-Cox, Crystalheartjourneys, Crystal Heart School or any affiliates or family members are not held responsible for any damages to the participant/client whether physical, emotional, mental, spiritual or financial.
